Whence should a more correct statement of the man's service be obtained apart from the despatch service reg^r. which is already in the file. There is absolutely no use in returning the papers asking for "a modified + Corrected Statement". His service from 1868 to 1899 must be verified from the Archive records with the help of the service reg^r. and any differences observed bet^n the 2 noted. It is a mere conjecture to say that the entries in the service reg^r. are wrong if they relating to a particular officer slightly from the Archive records
